<b>Total program hours</b>	<b>71</b>

All biology, chemistry, and CLTC courses must be completed with a minimal grade of "C". Students are permitted to repeat a maximum of six hours of coursework. Any student receiving over six hours of grades of "D" or "F" in biology, chemistry, or CLTC will be dismissed from the program. Only those students who have completed the first three semesters of the program with a minimum GPA of 2.5 will be considered for placement in a clinical internship.
